

# Accessories

•Stereo connection cables ..... 2

•AC power supply cord ..... 1

**Note:** The configuration of the AC power supply cord differs according to area.

## Connections

Make connections in the numbered sequence by using the included cables.

### 1 Connect the stereo connection cables.

The illustration below shows an example of connections made when this unit is combined with a Technics electronic component system, and shows only the connections to be made to and from this unit in that combination.

### 2 Connect the AC power supply cord.

The configuration of the AC power supply cord differs according to area.
